# LIVE-Communication

Recording, LIVE-Streaming, Video on Demand

## State-of-the-art communication with LIVE streaming

- ▶ Pay more attention to your product or appearance
- ▶ Building the virtual customer relationship in the social media
- ▶ Interacting through LIVE feedback on the video portals
- ▶ Integrate your LIVE voting into your LIVE stream
- ▶ Use as a webinar or e-learning

Streaming is the television LIVE broadcast on the Internet. Using fixed and mobile cameras, images and sound are played via a live directional console via an internet connection to the streaming server and streamed from there to the internet. With our full-service packages we produce the complete LIVE transmissions from a single source.
